CAREER OBJECTIVE

Looking for a challenging career in the field of computer science which provides me a platform to present my theoretical and practical knowledge and develop my experimental and research skills and extend myself to higher work in the field of my technical interests.

ACADEMIC QUALIFICATIONS

- 2020-2024 Bachelor of Technology in COMPUTER SCIENCE AND ENGINEERING(AIML)
Malla Reddy Engineering College, Hyderabad
GPA: 7.48/10
- JUNE 2020 Telangana State Board Intermediate Education in MATHS, Physics and CHEMISTRY
Alphores Junior College, Karimnagar
MARKS: 904/1000
- MAY 2018 Telangana State Board Secondary Education
Paradise High School, Karimnagar, Telangana
GPA: 9.0/10

INTERNSHIPS

- August-September 2023 **PATH CREATORS INTERNSHIP**
FULL STACK DEVELOPMENT TRAINING
Familiarised with Full-stack development using languages HTML,CSS ,Python and MySQL, database. Used the knowledge acquired to build good looking websites as exercise projects.

TECHNICAL SKILLS

- | | |
|------------------------|-------------------------|
| BASIC KNOWLEDGE | C, Data Structures,HTML |
| INTERMEDIATE KNOWLEDGE | PYTHON ,JAVA |
| DATABASES | MYSQL |

PROJECTS

- NOVEMBER 2020 **Vehicle Automatic Fire Extinguisher:**
A vehicle automatic fire extinguisher is a safety device designed to detect and suppress fires in vehicles. It typically activates automatically when a fire is detected, providing a quick response to mitigate potential damage or injuries.
- OCTOBER 2023 **Image Generation Using GANs**
Image generation using Generative Adversarial Networks (GANs) refers to the process of creating new, realistic images using a specific type of deep learning model known as a GAN. It became a powerful tool for generating high-quality, diverse, and visually convincing images.

CERTIFICATIONS

MICROSOFT AZURE	Azure Fundamentals
HACKERRANK	Problem Solving Basics
HACKERRANK	Java basics
HACKERRANK	sql intermediate
CISCO NETWORK ACADEMY	Programming Essentials in python

ACADEMIC ACHIEVEMENTS AND EXTRACURRICULAR ACTIVITIES

- Achieved silver badge in Java and C language in hackerrank website.
- Solved 50+ Python,Java,Data Structures problems in various websites.
- Achieved a medal in Football Competition.
